

# OUR WALL OF *Jerusalem*

After viewing the ruins of Jerusalem, Nehemiah told the officials, "Let us rebuild the walls of Jerusalem, and we will no longer be in disgrace" (Nehemiah 2:17). The wall became a symbol of change.

Our community and even our church are in need of a spiritual rebuilding. Are you ready to help make a change? If so, be a part of *Macedonia's Wall of Jerusalem*. This wall will serve as our symbol of change in our church and community-and the funds raised will support our building fund, so that we may continue to guide other lives to the Gospel of Jesus Christ.

For a sacrificial gift of \$250 or more between January 1, 2015 and December 31, 2015, your name, or a designated name will be added to a tile on our *Wall of Jerusalem*. Simply, complete the PLEDGE CARD provided and place your gift in the pledge box, or mail to the address shown below. Unveiling of this wall will take place during the dedication of the new church.

(Remember, all pledges should be over and above your regular tithes and offerings.)

I am excited about what God is doing in our building process!

Blessings,

Dr. Zannie Leland, Jr., Pastor
